

# The MDL 2024 Fall Halloween Porch Project

The night is dark and the goblins are out.  
Witches and black cats are prowling about.  
And costumed creatures the strangest I've seen,  
Are knocking on doors 'cause it's Halloween!

Make your child(ren), grandchild(ren) or any trick-or-treater in a favorite Halloween costume. Add a porch and some Halloween decor and you'll have a spook-tacular display, coming your way, in September '24!

(3D printed jack-o-lantern candy buckets available from Robert in September)
