Print on cardstock at ACTUAL SIZE / 100% - do not select Fit to Page

This line must measure exactly 1 inch

FAN 1 - 1.5 in. OPEN

FAN 2 - 1.5 in. OPEN

FAN 3 - 1.5 in. OPEN

FAN 4 - 1.5 in. OPEN

HOW TO MAKE

1. Print on cardstock at Actual Size / 100%.
2. Cut carefully around the fan leaf and the separate fan sticks.
3. Fold the fan leaf gently along its segment lines.
4. Gather and glue the sticks together at the lower pivot.
5. Attach the folded fan leaf to the upper portion of the sticks with glue.
6. Open gently and allow all glue to dry completely.

Finished open width: 1.5 inches (true 1:12 scale for an 18-inch fan)

White page background reduces ink use; the black-and-gold fan artwork remains richly detailed.
