

YOUR NIGHT CIRCUS FORTUNE

A black-and-gold ticket has appeared
beneath the hem of your creative life.

It says:

**YOU ARE NOT SIMPLY MAKING A PROJECT.
YOU ARE BUILDING A DOORWAY.**

The Night Circus arrives because you have gathered
all the right scraps: a doll, a ribbon, a raven feather,
a tiny ticket, a box of secrets, and the courage
to make play feel important again.

YOUR FORTUNE SHOWS THREE SIGNS:

THE LANTERN means your muse is ready to follow
you into something new. Offer one small wonder
at a time, and the path will keep unfolding.

THE DOLLMAKER'S NEEDLE means this project should
not be rushed. The magic is in the layering: story,
printables, characters, clues, tiny makes, and the final reveal.

THE CAT FAMILIAR means trust your instincts.
The pieces that feel odd, whimsical, or "too much"
may be the very things people remember.

THE FORTUNE SEAMSTRESS WHISPERS:

*A project made from secrets becomes a project people want to open.
A project made from story becomes a project people want to keep.
A project made from your own wonder becomes a project
people feel invited into.*

YOUR FINAL OMEN:

The Night Circus opens for every soul who follows
the lantern. Trust your instincts, gather the clues,
and let your imagination lead. The magic
belongs to everyone who dares to enter.

**FOLLOW THE LANTERN.
MEET THE KEEPERS.
MAKE THE MAGIC.**

**THE SECRET WAS NEVER
HIDDEN FROM YOU.
IT WAS WAITING FOR YOU
TO CREATE IT.**
